

Help to make your community a safer place to live

Many crimes have been solved because people have responded to police appeals for information. Whether you are part of a Watch scheme or a member of the public your help is invaluable to us.

Thames Valley Alert enables the police to keep you informed of crime trends in your neighbourhood and to provide details of meetings and general crime prevention advice to help you protect yourself from crime.

Messages are sent via a computerised messaging system called Neighbourhood Alert. Members can choose to receive the messages via e-mail, phone or text. The messages are sent to selected areas so that members only receive information relevant to the neighbourhood where they live

If you would like to find out more about Thames Valley Alert you can register on line at www.thamesvalleyalert.co.uk or fill in your details on the form below using BLOCK CAPITALS and return to the FREEPOST address listed below.

WATCH PERSONAL DATA HANDLING STATEMENT

This service is owned and administered by Thames Valley Police.

Uses of Your Information

The personal information you provide us with will only be used for the purpose of sending you community messages.

Your personal information will only be kept for as long as it is necessary to provide you with community messages. We audit our system at regular intervals to ensure that personal information is accurate and deleted when no longer needed.

Messages may contain information about third party products and services. Thames Valley Police offers product information for education and awareness purposes only and does not endorse individual product manufacturers or suppliers. You should always consider researching alternative products and suppliers prior to purchasing any crime prevention items.

Security

We use an external company for the storage of data and for the supply and maintenance of the Thames Valley Alert system. We have a contract in place to ensure that appropriate measures are taken to keep your information secure. Information is stored within a password protected database that can only be accessed by authorised users.

Your right to unsubscribe

You have a right to opt out of Thames Valley Alert at any time and you will be provided with details about how to do this each time you receive a message. Local Watch Administrators are available to assist with opting out. Or you can log onto www.thamesvaleyalert.co.uk to unsubscribe

Your right to complain

If you wish to make a complaint about Community Messaging please contact our Quality of Service Department by emailing QoSUnit@thamesvalley.pnn.police.uk

If you are unhappy with the way in which your personal information has been handled, please contact the Information Management Department by emailing data.protection@thamesvalley.pnn.police.uk.

You can also call 101 and ask to be put through the relevant department.
