“The Royal Borough recognises businesses in Clewer and Dedworth that go the extra mile for their community. We want to encourage companies, big and small to take pride in their local environment improving it for the benefit of local residents” Cllr Simon Dudley, Leader, RBWM

Big and small businesses play an important role in our community. They don’t just sell us goods and services, they are part of our community and can make a big difference to Clewer and Dedworth.

We are looking for businesses that make a regular difference to Clewer and Dedworth by making sure their shop is kept clean and clear of litter, sponsoring community groups or helping our elderly residents. Our Good Business Neighbour Award will be given by the Mayor of Windsor and Maidenhead to a business nominated by residents in recognition of their efforts.

You can nominate a business in Clewer or Dedworth by emailing Debra Beasley at debra.beasley@rbwm.gov.uk or simply contact your local councillor with details of your nomination.
